“Explore the Sites in Ancient Greece”

by Peggy & Walter Palmer, SSAS

Explore the sites of Ancient Greece with SSAS members Peggy and Walter Palmer! In addition to discussing old excavations and new developments at Akrotiri, Delphi, Olympia, Mycenae, and Athens, we will visit the Temple of Poseidon and enjoy the excitement of World Heritage Sites.

Peggy and Walter are longstanding members of SSAS, have had careers in the educational and legal fields, and are recently returned from a cruise to Greece and the Adriatic Coast.
